

Quiz Quiz

This strategy develops a student review and focuses attention on learning styles.

Lesson Plan:

1. Give students 2 minutes to review notes.
2. Divide the class into teams of four.
3. Each team should formulate 8 questions, 2 in each learning style, based on the content.
4. The team provides the answers to the questions on the back of the page.
5. The teacher uses these questions during a review session or as a bank of test questions.

Adapted from a workshop conducted by Daniel R. Moirao for the Wake County Public School System.
